About Croglin

Croglin is a British packaging solutions company creating luxury presentation pieces for global brands. From whisky and watches to collectible product launches, Croglin builds packaging with presence — where concept, material, and detail come together to elevate value, emotion, and experience.

**This is not just about making boxes.
It's about engineering stories.**

What is it?

The Signature Range offers high-quality, ready-to-customise presentation boxes.

With pre-engineered formats, flexible branding options and faster lead times, it's a simpler way to get high-quality packaging to market.

No lengthy development or prototyping — just quality, delivered quickly and without hassle.

- **Pre-engineered formats**
- **Customisable materials and branding**
- **Made in the UK**
- **No lengthy design or prototyping process**

Why it's useful

Durable construction, with a refined finish. Practical advantages at a glance

1

FASTER TO MARKET

Pre-engineered formats and UK production mean you can move quickly from brief to delivery, cutting lead times dramatically and getting product to shelf, customer or gifting event without delay.

2

HIGH IN QUALITY - LOW IN RISK

Croglin can visit your team or host you at our workshop, giving reassurance on quality, timelines, and allowing direct oversight of your packaging in progress.

3

AVOIDS SHIPPING TIME AND COST

With everything made in the UK, you avoid freight delays and reduce shipping expenses - no containers, no import charges, just efficient, reliable delivery directly from Croglin's workshop.

4

STRONG, DURABLE AND BEAUTIFUL

Properly jointed, carefully finished boxes built to last and not just glued together. This means less damage, better longevity and a presentation piece that maintains quality far beyond first impressions.

Frequently asked Questions

1

What materials do you use?

We typically use oak, ash, or walnut — all sustainably sourced and beautifully finished with oils or lacquer. Other materials can be discussed if needed.

2

What sizes are available?

Each box type comes in a standard format (single, double or custom bottle sizes), with some flexibility depending on your product.

3

What's the minimum order quantity?

Most boxes start at just 25 units, depending on the specification. Ask us for the most efficient quantity for your needs.

Frequently asked Questions

4

How long does it take?

Once your order is confirmed, lead time is typically 3–4 weeks. We're UK-based, so there's no waiting on shipping containers.

5

Where are the boxes made?

All Signature Range boxes are made in our Cumbria workshop — designed, crafted, and finished entirely in the UK.

6

Can I customise the branding?

Yes — we offer engraving, embossing, foil, and custom inserts. You choose the level of branding inside and out.

Frequently asked Questions

7

Can I visit your workshop?

Absolutely. We welcome visits from clients and agencies – it's a great way to see the quality and care in every build.

8

How is my order managed?

You'll have a named point of contact and a simple step-by-step order process – quick to brief, easy to approve, and clear throughout.

9

What about delivery and logistics?

We handle packing and UK delivery. International options are available too – just let us know where it's going.

Premium packaging. No fuss.

British-made, built properly, and made to last — with shorter lead times and a smoother process.
